## SCREENSHOTS

### Screen1 -

The screenshot shows a web browser window with a single tab titled 'Sign Up Page'. The address bar shows the file path 'C:/Users/pallavi/Desktop/IWPL/43239\_a3\_Jquery/login.html'. The page has a light blue header with the title 'Login Page'. Below the header is a white box with the heading 'Login with Social Media or Manually'. On the left, there are input fields for 'Username:' (placeholder: 'Enter you username') and 'Password:' (placeholder: 'Enter the password'), followed by a green 'LOGIN' button. In the center is a vertical line with a circle containing 'OR'. On the right, there are three buttons: 'Login with Facebook' (dark blue), 'Login with Twitter' (light blue), and 'Login with Google' (red). Below the white box is a light blue section with the text 'New Here? Sign Up today for free! =)' and a link 'SIGN UP'. At the bottom is a grey 'Footer' section.

### Screen 2 - Other options to login

The screenshot shows the Facebook login page in a web browser. The browser tab is 'Facebook - log in or sign up' and the address bar is 'facebook.com'. The page features the Facebook logo and the tagline 'Facebook helps you connect and share with the people in your life.' On the right, there is a login form with input fields for 'Email address or phone number' and 'Password', a blue 'Log In' button, a link for 'Forgotten password?', and a green 'Create New Account' button. At the bottom, there is a link to 'Create a Page for a celebrity, band or business.'
